

# BAROLA

03 - OAK RUSTICO LIGHT OILED FINISH, BRUSHED

No special colours available.

## QUALITY FEATURES:

- Range in the real wood veneer finish oak rustico light.
- The surface is multi-oiled and -brushed.
- Glass doors are in the finish Parsol glass grey, the tall cabinets and highboards are available with glass on side.
- The spaces behind glass doors are optionally available with mirrored backs.
- For an airy look many items are available with wooden underframes.
- LED lightening for an interesting lighting atmosphere, available for all open spaces and as ambience lighting as well as underframe lighting (only in connection with the underframe!)
- All lightings can be easily operated with Touch-Light.
- High quality fittings with soft-close mechanism.
- Full pull-out drawers, with cutlery insert as supplementary equipment.
- Cable outlet in lowboards for hidden cable management as well as further supplementary equipment available.
- Special design upon request (special width, height and depth) on request.
- Individual room concepts with planning programme **furnplan**
- 5-Year-Guarantee according to Quality Pass.
- Made in Germany

## Important notice:

The supplied fastening material (dowels and screws) is intended only for assembly of components to concrete or solid masonry walls. When assembling components to a wall please always adhere to the max. load values. The nature of the designated wall is ideally enquired during the order process and checked again before assembly by the assembly technicians. If the structure of the wall is deviating from solid structure (e.g. lightweight walls) a different, suitable attachment method is imperative. Clarify all electrical conditions for connection and device technology upfront. Freely hanging lightings need a solution with a duct channel on or below plaster. Furniture can not be used as room divider.

All dimensions are approximate. All prices for supplementary equipments are single prices.
